#### Principal Report: *Rachelle Bolingbroke, Principal*

- SAGE Testing (end of year) is set up in the Lower Lab—Rachelle will be giving a tour to anyone interested after the PTA Meeting.
  - Practice can be done on the home site. Call front office for link address.
  - A Presentation will be done for the Parents by Rachelle to explain both the testing as well as the home practicing information. Maybe at Parent night? With Screen-shot instructions.
- Book Fair was awesome! The proceeds from this benefit the classes. Each class gets some books as well as the Library.
- Zupas; \$1300 sales = \$260 for OES. We will be using this money towards headphones for the lower computer lab testing. We will probably do this again after March. We need to watch for conflicting dates with MVHA and Lakeridge/Orem Jr. \*\*Need to let people know that they can just show the voucher on their phone, don't need to print it out next time.

#### President's Report: *Melanie Holdaway*

- Storytelling coming up. Need to get judges. Gina Brooks running this.
- White Ribbon Week—what is the plan? Amy Chariton to decide about the events or not.
- Why are Spring After-School Programs \$40 instead of \$20 like in the Fall. Response by Melanie: There are twice as many weeks in the Spring. Re: ASPs, it's not too late to add or change classes still.

Adjourned: 10:18am
